EDUCATION

ArtCenter College of Design

M.Des, Interaction Design | 2024 – 2026

- Thesis: Designing anticipatory airline systems that earn trust through adjustable autonomy, explainability, and resourcefulness
- Coursework in futures thinking, service design, systems design, speculative design, and design research methods

Tennessee Technological University

B.S., International Business & Cultures | Minors: Spanish, Religious Studies

SELECTED PROJECTS

Airline Interaction Design 2036

Sole Designer & Researcher | Futures + Service Design | 14 weeks

- Designed the interaction layer for AI-driven anticipatory systems in commercial aviation, centering passenger trust and agency
- Conducted STEEPX analysis and Causal Layered Analysis to surface deep structural barriers to adoption
- Produced a narrated speculative film demonstrating three design mechanisms: adjustable autonomy, explainability, and resourcefulness

Solace Health

Framework Design Lead | Team of 4 | Healthcare

- Designed a multi-city expansion framework for a women's healthcare startup, reducing projected launch delays of 6–8 months
- Interviewed 13 cross-functional professionals at Meta, Netflix, TikTok, Indeed, and others to identify collaboration breakdowns
- Delivered a three-part system: structured alignment ritual, Launch Readiness Canvas, and Sprint Ticket Panel plugin

COROS Menstrual Cycle Redesign

Service Design | Wellness Technology

- Audited COROS's existing menstrual cycle tracker and redesigned it into a phase-aware training intelligence system for female athletes
- Designed onboarding flows, phase-specific training insights, and a redesigned watch face with cycle integration

Airbnb Group Booking

Concept Redesign | Pair Project | Travel

- Redesigned Airbnb's group trip experience with shared wishlists, flexible cost-splitting, and a group hub giving every traveler agency

PROFESSIONAL EXPERIENCE

Project Administrator

Barge Design Solutions | Chattanooga, TN | March 2022 – April 2026

- Designed an internal travel request app (WorkTrip) using UX principles, streamlining a paper-based process for 200+ employees
- Managed SharePoint sites, specification packages, and construction admin for cross-functional teams and external clients
- Coordinated invoicing and billing for 100+ active projects, ensuring accuracy and alignment with client requirements

SKILLS

Design

Figma · Framer · Service Blueprints · User Flows · Journey Mapping · Wireframing · Prototyping · Design Systems · Responsive Design · Accessibility (WCAG)

Research

User Interviews · Usability Testing · STEEPX · Causal Layered Analysis · Persona Development · Competitive Analysis · Survey Design

Methods

Systems Design · Service Design · Futures Thinking · Speculative Design · Sci-Fi Prototyping · Actor-Network Theory

Tools

HTML/CSS · GSAP · JavaScript · Adobe Creative Suite · Lightroom · Canva · Squarespace · Shopify · Microsoft Office

CERTIFICATES

Memorisely

UX/UI Design Bootcamp · Oct 2024

Google

UX Design · May 2024

ADDITIONAL

Freelance Photographer

Self-Employed · 2015 – Present

Events, portraits, and family sessions. Packaged albums, Lightroom editing.

Web Designer (Volunteer)

Pioneer Church · 2022

Redesigned church website on Squarespace with content management and strategic direction.

International Team Lead

Nehemiah Teams · Philippines · 2019

Led a team focused on service, healthcare, and multimedia.
